The NGA is a partnership between the golf course associations in northern states or regions having similar customers and climates. NGA associations are dedicated to placing substantial benefits for their individual members as their priority when accepting or recruiting Corporate Partners to the NGA. We strive to provide broader marketing and sales opportunities for partners to reach multiple states and regions, as well as collaborative marketing opportunities through exceptional member benefits programs.

For more information on the NGA contact Kate M. Moore, Michigan Golf Course Owners Association, (800) 860-8575 or KMoore@mgcoa.org.
